

## Announcement to CCS Customers

July 19<sup>th</sup> 2019

Dear customer

### **Continental Chef Supplies to move to new location**

**Whilst we make the transition across to our new distribution warehouse facility at Kenfig in South Wales, we would like to inform customers that any orders placed on Thursday 25<sup>th</sup> and Friday 26<sup>th</sup> July will not be shipped until Monday 29<sup>th</sup> July to allow us to complete this exciting move. We apologize for any inconvenience this may cause.**

From Monday July 29<sup>th</sup> Continental Chef Supplies (CCS) will be moving to new premises. Current telephone numbers and e-mail addresses will remain unchanged so you will be able to contact us as normal after the move. We would like to reassure you that deliveries will be unaffected ahead of the move and our customer service and sales teams will continue to operate as normal.

As a result of the move the current sales office and warehouse operations at Peterlee near Durham will be closing, although the site will continue to be used as a logistics hub for other Bunzl UK businesses.

The main sales office functions will be moving to Cumbernauld near Glasgow where CCS' parent company Bunzl UK already operate an existing facility for a number of its Catering & Hospitality businesses.

The CCS showroom in Baker Street, London is unaffected and will continue to provide a central London location for customers interested in viewing the extensive CCS product range.

The CCS warehouse will move to a much larger new warehouse facility at Kenfig in South Wales. This will allow us to significantly expand the CCS product range and we have exciting product development plans in place with several new leading European brands already signed-up.

All these brands will be included in a new CCS catalogue that we will be launching at the beginning of August.

Finally, CCS will have a major presence at The Restaurant Show at London Olympia which this year runs from Monday September 30<sup>th</sup> to Tuesday October 2<sup>nd</sup>. We are an official sponsor for the National Chef of the Year competition and will be supplying all the jackets for the judges and finalists as well as having our own stand as part of the 'Catering Equipment Expo' on the first floor. Come and see us on stand UE50 (right next to the Main Stage area) where we will have a wide range of new products and suppliers on display.
