STILETTO

The East and the West meet and blend their own peculiarities to create an exclusive design. Thin width and grip, geometry and sinuosity: the collection Stiletto is the symbol of the fusion between different cultures, of opposites that meet, crossed borders and endless horizons.

STILETTO

A two-hundred-year tradition to understand what function really means. That is how the Zeta collection was born: modern, contemporary, able to interpret the present world. The symbol of a company that has comprehended that the secret of progress is the ability to evolve and reinvent their own story.

PIANO

Simple, linear, essential. The cutlery collection Impulso was born from the research of the perfect synthesis between shape and content, through the creation of a sober and timeless design.

The secret of a classic is its ability of being always fashionable, interpreting the present with shapes that evoke and stupefy, never out of time or inappropriate. Canto was born from this idea, a collection with smooth and rounded shapes, that recall classical notes, in a brand-new tone.

CANTO

Refined and timeless, the cutlery collection Metropolitan makes elegance the key of an everlasting design. Everything is centered on the sculptural handle, bolstered by the vertical grooves that make it look like a contemporary column.
