Chaud Devant®

Designed in Amsterdam

Chaud Devant has a unique history. Twenty five years ago our founder worked in a restaurant, picked up a torn Chefs pants and wondered why there weren't more trendy models available. The rest is history.

Chaud Devant is now a leading label in Europe for stylish and professional Chef wear. We are proud of the fact that we have been an Amsterdam based company for 25 years. The idea was born in Amsterdam and the city still gives us so much inspiration to develop beautiful collections for both Chefs and front of house clothing.

Chaud Devant has set the standard for the look of food service establishments in Europe and far beyond. We work with high quality fabrics and have our own seaming craftsmen that exclusively work for our brand.
